PURPOSE

The purpose of this advice letter filing is to request recovery of the 2016 GRC Interim Rate Memorandum Account for the Los Angeles District in connection with Cal-Am's 2016 General Rate Case ("GRC") in A.16-07-002. This request is in compliance with authorizations of the California Public Utilities Commission as detailed in the Rate Case Plan in D. 07-05-062 ("RCP") and ALJ Ruling issued on September 8, 2017 in A.16-07-002.

BACKGROUND

The Commission granted Cal-Am memorandum accounts to track the difference between interim rates and final rates through Advice Letter 1184, approved on January 22, 2018 with an effective date of January 1, 2018.

Cal-Am hereby submits this filing to recover the balances in the memorandum accounts for the Private Fire Protection Service in all districts.

Submission of these tariffs is made in compliance with Ordering Paragraph 4 of D.18-12-021, which states:

44. The surcharge to true-up the interim rate must comply with Standard Practice U27-W. The tariff implementing the surcharge shall be filed by Tier 2 advice letter after California-American Water Company calculates the revenue difference between the interim rates and the authorized rates but within 45 days after 2019 rates have been implemented. The surcharge shall include differences between interim rates and adopted rates through the 2019 escalation year up to effective date of the 2019 escalation year rates.

On January 2, 2019, California American Water requested, and on January 28, 2019 was granted, an extension of time from 45 days to 90 days to calculate and file its interim rates true-up surcharge.

On August 2, 2019, California American Water requested, and on August 8, 2019 was granted, an additional extension of two weeks to file for Interim Rates true-up filing. California American Water also requested, and the Commission granted, that the 2018 WRAM/MCBA filings be filed thirty days after the interim rate true-up filing.

REQUEST

Cal-Am requests the interim rate true-up surcharge totals for private fire be rolled into the interim rate true-up balancing account and interim rate true-up surcredit totals be rolled into meter credits effective September 22, 2019. The proposed meter credits will be implemented and sent to customers within two months of execution.

SERVICE LIST

Pursuant to Section 4.3 of General Order No. 96-B, a copy of this advice letter is being sent to those entities listed in the attached service list. Copies of the detailed workpapers and the documents supporting this Advice Letter have also been furnished to the Commission Staff.

EFFECTIVE DATE

Cal-Am submits this as a Tier 2 advice letter per D.18-12-021 and requests an effective date of September 22, 2019.

RESPONSE OR PROTEST¹

Anyone may submit a response or protest for this AL. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

¹ G.O. 96-B, General Rule 7.4.1

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds² are:

4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**
