ADVICE LETTER NO. 1390

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Pursuant to General Order 96-B, California-American Water Company ("California American Water") (U210W) hereby submits for review this advice letter, including tariff sheets applicable to California American Water's Bellflower Service Area.

**Background:**

California American Water filed Application ("A.") 18-09-013 requesting the approval of the sale of Bellflower Municipal Water System's ("Bellflower MWS") assets to California American Water. On October 10, 2022, the Commission approved the acquisition in Decision ("D.") 22-10-003.

**Discussion:**

The requests contained in this advice letter relate to Ordering Paragraph ("OP") 5, OP 9 and OP 11 of D. 22-10-003, which state:

*5. The request of California-American Water (Cal-Am) to track costs of environmental improvements and compliance relating to Cal-Am's acquisition of the assets of the Bellflower Municipal Water System in Cal-Am's Memorandum Account for Environmental Improvements and Compliance Issues for Acquisitions is approved.*

*9. California-American Water Company's existing Certificate of Public Convenience and Necessity is modified to include the service area of the Bellflower Municipal Water System.*

*11. No later than 10 days after the close of the acquisition by California-American Water Company (Cal-Am) of the assets of the Bellflower Municipal Water System (Bellflower MWS)(Acquisition), Cal-Am shall file a Tier 1 advice letter that implements Cal-Am's existing tariffs in the new Bellflower MWS service area, and, within 60 days after the close of the Acquisition, Cal-Am shall file a Tier 2 advice letter to integrate the Bellflower MWS service area for ratemaking purposes consistent with this decision.*

Based on the foregoing OPs, California American Water submits the following requests to incorporate Bellflower's rate schedules and service area maps into California American Water's tariffs.

**Requests:**

California American Water requests authority to integrate the Bellflower service area and rates into its existing tariffs, rules, and maps.

In addition, California American Water presents Bellflower's tariffs for General Metered Service in Schedules No. BF-1 in CCF and CGL to offer customers greater transparency and accuracy.

The rates reflect the City of Bellflower Resolution No. 15-72 filed September 15, 2015.

Additionally, given the current drought conditions in California, California American Water intends to make a filing to incorporate the Bellflower Service Area into its existing Rule and Schedule 14.1 tariffs.

**Effective Date:**

California American Water requests an effective date of November 3, 2022, the date of closing.

**Tier Designation:**

California American Water submits this as a Tier 1 advice letter pursuant to General Order No. 96-B.

**Notice:**

Pursuant to Section 4.3 of General Order No. 96-B, a copy of this advice letter is being provided to those entities listed in the attached "SERVICE LIST PURSUANT TO SECTION 4.3 OF G.O. NO. 96-B." Per guidance from the California Public Utilities Commission's Water Division, during the COVID-19 pandemic, advice letters will only be delivered electronically to the service list.

**Protests and Responses:**

Anyone may respond to or protest this advice letter. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A **protest** objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds<sup>1</sup> are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding;  
or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

---

<sup>1</sup> G.O. 96-B, General Rule 7.4.2

A response must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:
