ADVICE LETTER NO. 1375-A

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

California American Water (U210W) hereby submits for filing the following tariff sheets applicable to its Monterey Service Area, which are attached hereto:

**Purpose:**

The purpose of this supplemental advice letter is to update cost per AF rate from \$3,446 to \$3,486 to match the notice California American Water received from MPWMD.

California American Water requests authority pursuant to Decision 16-09-021, General Order (GO) 96-B, Water Industry Rules, Section 7.3.1, and section 454 of the Public Utilities Code to offset purchased water expenses it incurs from the Monterey Peninsula Water Management District related to the Pure Water Monterey project.

In accordance with Section 4.3 of General Order No. 96-B, a copy of this advice letter is being sent to those entities listed in Exhibit 1.

**Background:**

On September 22, 2016, California American Water entered into a Revised Water Purchase Agreement (RWPA) with Monterey Peninsula Water Management District (MPWMD) and Monterey One Water (collectively "the public agencies") per Decision (D.)16-09-021. The currently effective purchased water surcharge of \$0.4022 per 100 gallons for the Pure Water Monterey project was approved through Advice Letter 1336 filed May 28, 2021.

The Commission approved RWPA provides for the following process:<sup>1</sup>

*At least six (6) months prior to the Performance Start Date, at least one time between May 1 and June 1 of every year thereafter, and at any time throughout the term of this Agreement the District deems necessary, the District shall provide the Company with written notice of the Company Water Rate, supported by detailed information relating to the Fixed Project Costs and the estimated Operation and Maintenance Expenses to be incurred in the upcoming Fiscal Year that were used to determine the Company Water Rate. Within sixty (60) days following receipt of the written notice containing the Company Water Rate, the Company shall file a Tier 1 advice letter for rate recovery with the CPUC to update its rates and tariffs, and in doing so establish a surcharge rate to reflect the Company Water Rate.*

*All changes to the Company Water Rate resulting from annual increases or decreases to the*

---

<sup>1</sup> RWPA, pg 13

*Fixed Project Costs or Project Operation and Maintenance Expenses, as reflected in the Company Water Rate, shall be requested for rate recovery through a Tier 1 advice letter in accordance with Section 3.2 of Water Industry Rules in General Order 96-B, as amended from time to time, for processing expense offset rate changes. The rate change will be applied to the surcharge to ensure that the Company's customer rates remain aligned with the Company Water Rate under the Agreement.*

On April 27, 2022, California American Water received notice from the public agencies that the Company Water Rate for FY 2022-23 would increase to \$3,486 based on a company allotment of 3,500 AF, representing a 24% increase over the current Company Water Rate of \$2,808 per AF. This increase in rates charged by MPWMD results in a \$969,000 annual increase in purchased water expenses to California American Water's Monterey Service Area, plus a corresponding \$4,958 increase in uncollectible, for a total expense increase of \$973,958. This increase is directly related to water consumption and thus should be applied to the quantity rate.

The resulting increase provides a surcharge of \$3.2643 per hundred cubic feet (ccf) or \$0.4364 per hundred gallons (cgl).

The offset requested represents an annual increase of \$973,958 or 1.16% over the latest revenue requirement approved by the Commission in AL 1336.

**Request:**

California American Water requests authorization to adjust the existing purchased water surcharge totaling \$3.0086 to \$3.2643 per ccf (\$0.4364 per 100 gallons) for Monterey Service Area customers.

**Tier Designation:**

This advice letter is submitted with a Tier 1 designation.

**Effective Date:**

California American Water requests an effective date of July 1, 2022.

**Notice:**

Pursuant to Section 4.3 of General Order No. 96-B, a copy of this advice letter is being provided to those entities listed in the attached "SERVICE LIST PURSUANT TO SECTION 4.3 OF G.O. NO. 96-B." Per guidance from the California Public Utilities Commission's Water Division, during the COVID-19 pandemic, advice letters will only be delivered electronically to the service list. Hardcopy advice letters will be mailed as soon as administrative staff are able to return to California American Water offices.

**Protests and Responses:**
